Bonus Arena is a unique and exciting environment for conferences and events in Hull city centre.

The Bonus Arena is an exciting addition to the conference and events offer in Hull. Having opened in August 2018, the Arena is purpose built to offer significant flexibility for your conference, exhibition, dinner or event.

With 1320 square metres of floor space, making it one of the biggest in the region, the Arena's flexibility means we can host events of all shapes and sizes – from

huge award ceremonies to smaller breakout meetings. We have the second largest partition wall in Europe that can separate the floor from the 800 seat auditorium which can create complimentary spaces.

The Arena also has two VIP rooms, AV facilities, lighting, on site catering and large concourse areas along with dedicated staff in all departments.

Main auditorium

The area can be used for an exhibition with no obstructions and measures 30m x 44m. There is a modular stage that can be altered to suit your event or removed completely, up to a maximum of 18.2m x 12.1m. The whole space can be connected to electricity and is suitable for banqueting up to 600 guests. There is also retractable tiered seating available if required on this level to present the space as a theatre style event. A fully removable partition wall separates the main auditorium from the upper auditorium. The main area is surrounded by a concourse with bars, toilets and disabled facilities.

Capacities

Arena auditorium

30m x 44m

Banquet with stage and dance floor

200 – 600+

Cabaret with stage

150 – 400

1830

Exhibition

30m x 44m / 1320 square metres

Upper auditorium

The 800 seat auditorium has its own stage and AV facilities including screen with colour changing lighting that can be individually controlled. The upper auditorium is a suitable space for a plenary session, AGM and as a complimentary space to an exhibition taking place in the main auditorium. Situated on the third floor of the arena, it has lift access and accessible toilets.

PDR lounge

A first floor conference and meeting space with one wall completely windowed offering stunning outside views. This room can be divided into two and has complete AV facilities. This room is suitable for a stand alone conference or meeting or as a supplementary room to a larger event in the main auditorium.
